About Me

I am a Computer Science student at the University of Bedfordshire. I am a friendly, approachable person and I am kind to others. I have good time-keeping skills and am willing to learn new things. I am very able to work well with others but can also work well on my own if needed.

Job Experience

Call Centre Agent @ Teamsearch

November 2021-August 2022

In this role I was tasked with speaking to people over the phone to solicit feedback. This was in order to obtain feedback on services, products and local issues. My responsibilities were to speak to people, manage any concerns or complaints they had, and enter their feedback onto a computer.

Student Cleaner @ Trinity Sixth Form Academy

November 2022-April 2023

In this role I was tasked with cleaning the academy premises using provided cleaning materials. This job required me to have good time keeping, the ability to focus on a specific task, and to pay close attention to small details.
